SOUTH FLORIDA WORKFORCE TO HOST BUSINESS INCENTIVES ROUNDTABLES

(MIAMI, December 6, 2010) — South Florida Workforce Investment Board (SFWIB) partners with the Beacon Council and Neighbors & Neighbors Association, Inc. to host a series of Business Incentives Roundtables for businesses in Miami-Dade and Monroe counties. The first of ten sessions will take place on Friday, December 10, 2010, from 9:30 a.m. – 11:30 a.m. at the South Dade Government Center 10710 SW 211 Street, Suite 203, Cutler Bay.

The Roundtables are designed to inform businesses on how to access and benefit from various financial incentives and other resources offered by the SFWIB Business Services. Moderated by workforce and economic development experts, the sessions will focus on how employers can retain and expand their businesses in South Florida by receiving assistance with the costs of training their workforce and prospective employees.

“By offering financial incentives for businesses, we harness the creative potential of small businesses, address the shortage of available capital amidst a cautious financial market and invest in the economic success of the community,” said Rick Beasley, executive director for South Florida Workforce Investment Board.
