## **South Florida Workforce & Monster.com Host Ten Power Seeker Workshops**

Miami, Florida – To provide jobseekers with additional tools to obtain employment the South Florida Workforce Investment Board (SFWIB) in partnership with Monster Government Solutions will host ten free Power Seeker Workshops for Job Seekers in Miami-Dade and Monroe counties.

The workshops are fashioned to provide job seekers with the advice and resources they need to find a job and manage their career. Monster Government Solutions is a wholly owned subsidiary of Monster Worldwide, Inc, (NYSE: MWW), parent company of [Monster.com](http://Monster.com), the leading global online career and recruitment resource.

“The Monster Power Seeker Workshops are high intensity seminars designed to empower and educate job seekers on how to stand out in a crowd and present themselves as the best candidate”, stated Rick Beasley, Executive Director of South Florida Workforce. These workshops will deliver inside strategies using the "new rules" of the jobseeker game. The Monster experts will provide job seekers with the advice and techniques they need to stand out from the crowd in today's labor market.

Due to limited space, registration is required to attend the Power Seeker Workshops. Participants can register on-line at [www.southfloridaworkforce.com](http://www.southfloridaworkforce.com). For additional information in participating in the Power Seeker Workshops, please call South Florida Workforce at: (305) 594-7615, ext. 391, or inquire by e-mail at: [lhoward@southfloridaworkforce.com](mailto:lhoward@southfloridaworkforce.com)

The workshops will cover the following topics: power resume writing, job hunting strategies, power interviewing, power networking and creating your digital footprint. Materials presented during the workshop will be available to participants on a complimentary CD after the event.

**There are ten workshops to choose from in different areas.**
